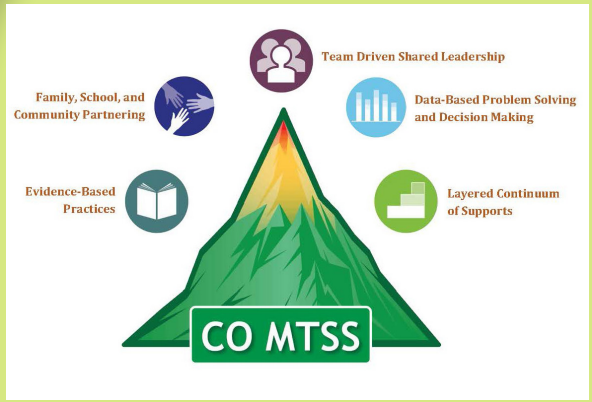
Multi-Tiered System of Supports

Colorado MTSS Essential Components



Multi-Tiered System of Supports (MTSS) is a framework within which our learning community ensures student success and growth by meeting their academic, social emotional, and behavioral needs.

How MTSS Serves Students and Schools

Support for all components of an articulated MTSS framework in PSD Schools

- Teaming structures
- Problem-solving process
- Layered supports
- Research and evidence-based practices
- Universal screening and progress monitoring
- Active family partners
- Ongoing professional learning opportunities

POUDRE SCHOOL DISTRICT
