6TH GRADE REQUIRED CORE CLASSES

English (ELA) 6

Science 6/Social Studies 6

Math

(Accelerated students in math will be placed by district guidelines)

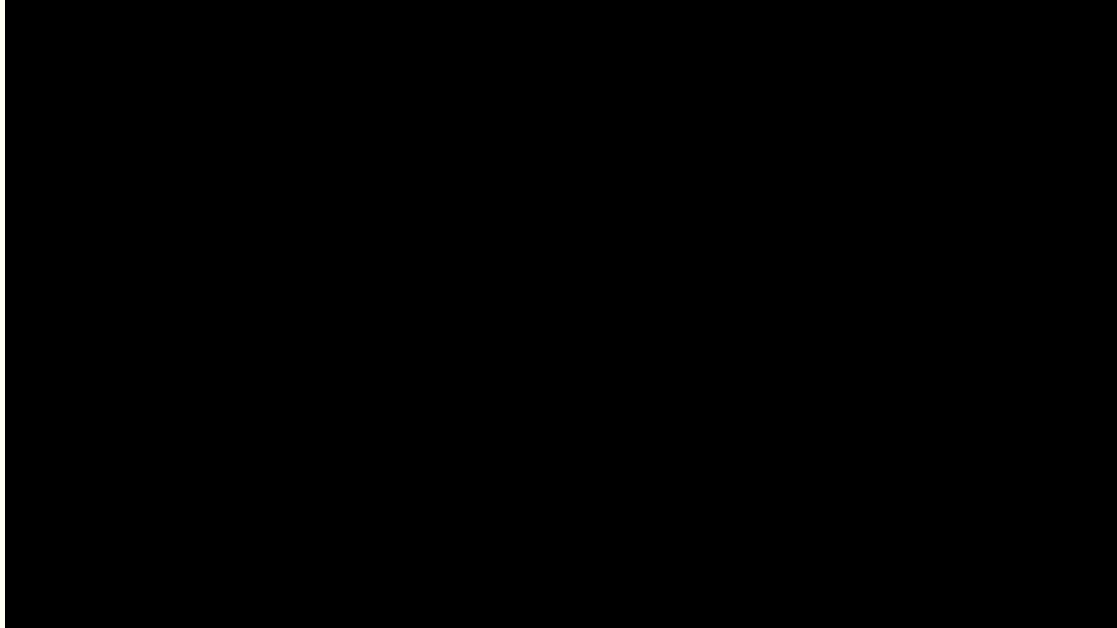

Sample Schedule

- Period 1: Science or Social Studies
- Period 2: Extended Learning Opportunity
- Period 3: Drama or Art
- Period 4: Math
- Lunch (followed by recess)
- Period 4: Math (continued)
- Period 5: English
- Period 6: Advisory

Extended Learning Opportunities (W.I.N.)

Electric Car Races in Science Class

This year, we have introduced a dedicated Intervention/ Enrichment period during the school day. This time allows us to provide targeted support to students in need of skill-building in reading and math.

This time also offers enrichment opportunities for students who are already proficient in these areas, enhancing their knowledge in Science, Math, Health, Social Studies, and Personal Finance.

ELECTIVES

Our Electives

All students who are NOT taking band or orchestra will take our “wheel”

- PE
- Design & Tech (2 Quarters)
- Art
- Choir
- Intro to Drama
- Intro to Spanish (unless you already speak Spanish)
- Intro to Family and Consumer Science

How to Choose Your Electives

- You will enter your elective selections in the Google Form with your 5th grade teacher!
- Please rank ALL of the electives 1-7.
- Music Students – You will turn in your orange music form to your teacher, along with entering your Google form. If you are taking band or orchestra, we will do our best to get your top 1-4 choices.
- Band 6 (meets every other day, all year)
- Orchestra 6 (meets every other day, all year)

IF you selected to TAKE a music class above, which instrument do you wish to play?

Your answer _____

IF you selected to **TAKE** a music class above, please check your top FOUR choices. (*****All students NOT taking band/orchestra will take all classes on our elective "Wheel"**)

- Intro to Theatre
- Intro to Technology & Design (2 quarters)
- Art Exploration
- Physical Education
- Introduction to Spanish ****Not intended for Native Spanish Speakers**
- Choir
- Intro to Family Consumer Sciences
