 - Introductions
1. Principal report—Josh Richey
 - a. Lots of students out with sickness, not all COVID. Some teachers are out as well right now.
 - b. They have ordered camera's for the classrooms. The plan is if a student is out for quarantine, they can still follow the lecture from home.
 2. Treasury update—Heather Castaneda
 - a. Balance is a little over \$4000. No expenses in December.
 3. PTO meeting dates for 2021-2022
 - January 11th
 - February 8th
 - March 8th
 - April 12th (elections for next school year)
 - May 10th (Only if we have any loose items to tie up)
 4. What does the school need funds for this year?
 - Activity Bag
 - GaGa Pit
 - The ball drive went well. Suggested we start to do this 2x a year. Only want used items, nothing new.
 - Discussed having the stall day proceeds go to buying a gaga pit for the school. The school could use money from stall day, PTO and Principal funds. It will have to be installed by facilities, meaning it probably wouldn't be installed until summer.
