## What is the ParentVUE Portal?

The ParentVUE portal allows parents/guardians to view their student's school information. The information is accessed directly from the student information system Synergy SIS.

While the website is accessible over the Internet, access is secured via logon and password. Parents can only see information about their students, and cannot see the records for other students. Parents may only view the information and cannot make changes to their student's records.
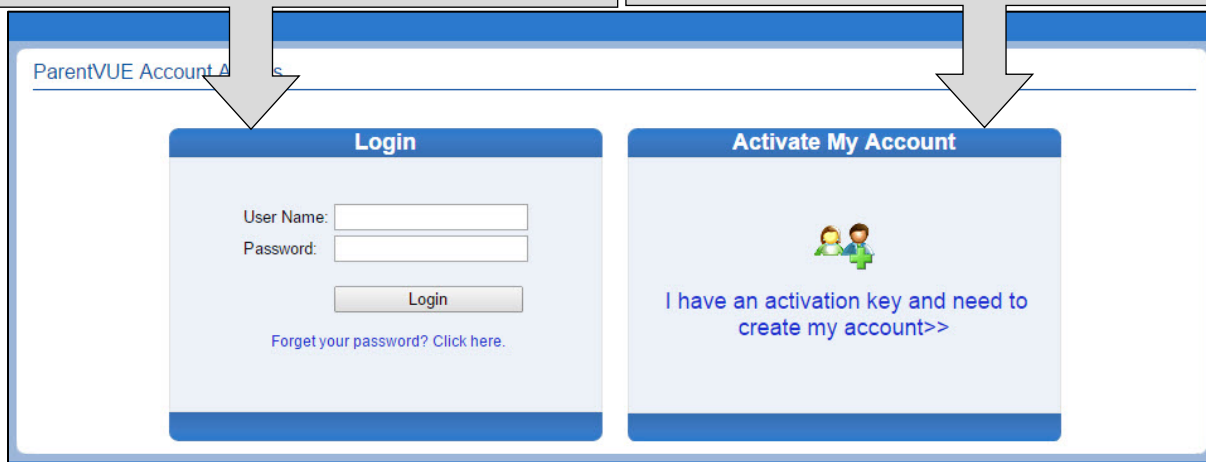

How to Access ParentVUE

1. Launch an internet browser

2. Go to: http://www.psdschools.org

3. Click the "Parents" link

4. Click the "ParentVUE" button

5. Click the "I am a parent>>" link
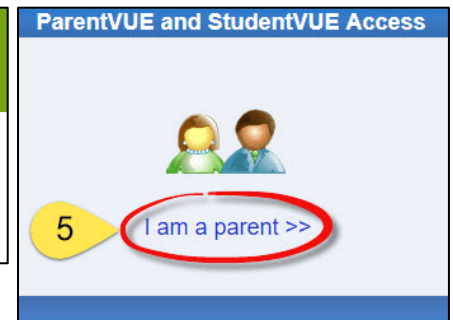

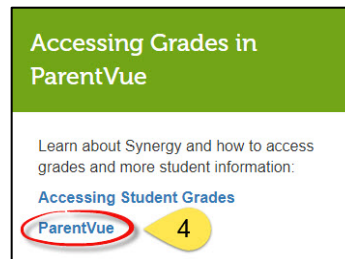

> **Note:** You can also directly go to ParentVUE page by adding "/pvue" after the PSD website in your address bar http://www.psdschools.org/pvue

Navigation Menu

Calendar - The school calendar lists class assignments, school holidays and other school events. The calendar can be viewed by day, week or month.

Attendance – Your child's attendance can be seen in two ways – the List View or the Calendar View. The List View shows all days in which your student received an attendance mark. The Calendar View displays every school day in the school calendar, not just the days with attendance marks.

Class Schedule - The Class Schedule displays the student's current school year classes. To view a different term, click on the term link (Quarter 2, Semester 1...) in the upper right-hand corner. An email can be sent to your student's teacher by clicking the envelope next to the teachers name.

Course History – All the information that is listed on the student's transcript, current and previous school years' course grades, student's GPA, and graduation status is displayed under Course History.

Grade Book - The Grade Book summary screen shows grades for each grading period and progress period.

To see additional details about the class, click on the Class Title which is highlighted blue.

Under Assignment View you will see the Grade Calculation Summary: your student's grades are categorized by Summative, Formative, and Work Habits and the Gradebook Summary: lists all the assignments for the class selected.

To see another classes Assignment View, select the class from the drop-down box in the upper left-hand corner.

Note: If the Grade Book summary screen displays the following message "Grade Book data not available for this school" the Gradebook Summary has been disabled by the Student's school.

Under Standards View you will see the GLE's/Criteria and Work Habits/ATL's that have been assessed. Clicking on GLE/Criteria link which will list all the assignments attached to the GLE/Criteria or Work Habit/ATL.

To see the details of an assignment, click on the blue text for the assignment. The Grade Book Assignment Detail lists more detailed information regarding the assignment including the name and type of assignment, date the assignment was distributed, date on which the assignment is due, score earned, type of score, total number of points, notes entered by the teacher, and a full description of the assignment.

Health - The Health page shows any nurse visits, health conditions and the student's immunization records assigned to the student.

Report Card – The Report Card page displays the current grades posted on the student's report. When the Report Card has been posted by the school and is ready to print, a link will display in the upper left hand corner.

Note: After the school year has ended you will need to contact your school for Report Cards.

Forms – The Forms page has links to the Permission to Share application that can be filled out electronically. Select the appropriate language link which will direct you to the Permission to Share application page.

Documents – The Documents page displays a link to the PARCC Scores web site where the students PARCC testing scores can be view if applicable for your student.
